*Variable Rate Information: Your APR may vary. Variable Rate Feature: The MasterCard Credit Cards have a variable rate feature meaning that the Annual Percentage Rate (corresponding to the periodic rate) and the term of your MasterCard loan may change due to interest rate fluctuations. The Annual Percentage Rate (APR) includes only interest and no other costs. In no case shall The Standard APR be less than 8.90 % regardless of the applicable index and margin, unless specifically applicable laws and/or regulations require we use a lower APR.

SEE PAGE TWO FOR MORE IMPORTANT INFORMATION ABOUT YOUR ACCOUNT

How we will calculate Your Balance: We will use a method called “average daily balance” (including new purchases). See your account agreement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

The credit union will acquire a security interest in the property purchased with your credit card; and collateral securing other loans with us may also secure this account. Also, you are giving us a security interest in your shares and other deposits in the credit union.
